Sir,

I am directed to refer to the letter from this Ministry of even number dated the 10th September, 1965 conveying the rate of premium for the quarter ending 30th September, 1965 and to enclose two Notifications no. 101(8)-INS.I/65-ERI dated the 28th September, 1965 issued further to amend the two schemes. According to these notifications the rates of premium for the quarter commencing from the 1st October, 1965 have been fixed at the rate of 10 paise per hundred rupees or any part thereof of the sum insured under the Emergency Risks (Goods) Insurance Schemes and at the rate of 15 paise per hundred rupees or any part thereof of the sum insured under the Emergency Risks (Factories) Insurance Scheme.

2. It has been brought to the notice of this Ministry that certain treasuries or sub-treasuries do not accept the premium after the prescribed date. Attention in this connection is invited to this Ministry's letter no. 112(25)-INS.I/62-ERI dated the 4th March, 1963 and to say that there may be some persons who might have not deposited the prescribed amount of premium within the prescribed time, and they may wish to pay the premium to avoid the liability on account of continuing default on their part for which they are required to pay penalty prescribed in law for each day of such default. In order to avoid hardship to all such parties, who desire to avoid the liability of continued default, it is essential that the treasuries/sub-treasuries etc., should continue to accept the payment of insurance premium under the two Emergency Risks (Goods) and (Factories) Insurance Schemes from all who tender the same. It is, therefore, requested that immediate directions may kindly be issued to all Treasuries/Sub-Treasuries under your kind control that they should not refuse to accept the premia tendered at any time by any individual in respect of the said two schemes.

Rates of premium as notified vide two notifications enclosed may also be brought to the notice of all treasuries and sub-Treasuries immediately, as the parties are required to pay the premium soon after the issue of the notifications.
